

Little Artists Summer Camp

Developmental Pathways for Kids

Expanding fine motor and handwriting skills in a creative environment

August 7-11, 2017

9:00-11:00AM

This camp will focus on fine motor skill development for pre-writing, writing, tool use and object manipulation skills for children who are entering Pre-Kindergarten and Kindergarten. Campers will work as a team to create fun art projects as they engage in multi-sensory experiences using different textures and tools. Concepts from the Handwriting Without Tears curriculum will be utilized to review and improve letter recognition and letter formation. At the end of the week, all campers will receive a Handwriting Without Tears workbook- a great tool for continual fine motor skill-building to get ready for school!

The camp will be facilitated by Clarice Lai, M.A., OTR/L.

When: August 7-11, 2017 9:00am -11:00am

Where: Developmental Pathways for Kids
452 Grand Street,
Redwood City, CA 94062

Cost: \$400.00 (no make up sessions)

Sign up deadline: July 1, 2017

To reserve your spot, please submit the attached form and check payable to Clarice Lai to the address below:
